

TASMANIAN FIRE BRIGADES CHAMPIONSHIPS ASSOCIATION

MEMORANDUM

SENIOR DIVISIONS FOR 2023

The two-year trial of two senior divisions for the State Firefighter Championships concluded in 2017. The TFBCA Executive Committee have endorsed this concept to continue for the future.

Should they compete, the following teams will remain in Division A for the 2023 Championships based on their points tally from 2022:

- Rokeby (142)
- Devonport Blue (139)
- Bridgewater Blue (133)
- Geeveston Blue (112)

Should they compete, the following teams will be elevated to Division A for the 2023 Championships based on their points tally from Division B in 2022:

- Wellington Blue (151)
- Devonport Red (97)

The following conditions shall be observed:

- The term “State Champion” is for the Division A winning team only.
- The winning team in Division B shall earn the title of Division B Aggregate Winner.
- The top two placed senior teams and the bottom two placed senior teams from the relevant Divisions are ‘elevated’ and ‘relegated’ each year based on their overall points total.
- There will also be a trophy for the highest overall seniors points total regardless of which Division the team is competing in.

Yours sincerely

Robert Atkins
